To whom it may concern:

Reference patent application # **10514403**

The purpose of this correspondence is to inform you that the \$ 100.00 check you forwarded for payment for an extension of time of a patent application to the U.S. Patent and Trademark Office (USPTO) was not payable in U.S. dollars as required by law and therefore the check could not be processed by the USPTO. I am returning the check in question to you here.

Note that there was no attempt by the USPTO to deposit the \$ 100.00 check in question with our bank. Therefore if you are inadvertently charged a return check fee by the USPTO in the future contact me as the \$ 50.00 fee for the returned check is not appropriate.

The banking information for the \$ 100.00 check in question follows:

ABA # 30023815 Acct # 1038421 Check # 4432

The name/number associated with your submission was patent application number **10514403**. You should reference this name/number in all future correspondences with the USPTO concerning this particular matter.

You will need to resubmit payment in U.S. dollars. I have attached a copy of our standard Form 2038 which will allow you to supply us with the information required so that we can process a credit card sale for you if you so desire.

If you intend to pay by check, money order (in U.S. dollars) or by credit card please forward the replacement payment along with a copy of this letter to the address noted below:
